INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Action: Rejected
Residence: Mus. Roger, Okla.

Reasons: Applicant claims to have been born in Georgia in 1863 while his oldest sister Appl. #29273, was born in Surry Co., N.C. in 1846. This sister was not enrolled in 1857, nor was her mother through whom claim is made enrolled in 1851. Nor do the names of the grand parents appear on the roll of 1835. The testimony (Misc Test p. 3451) fails to establish satisfactory connection of the mother with the tribe in 1851 or 1835. Appl. was refused enrollment with the Cherokee in the West.

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
601 OURAY BUILDING,
WASHINGTON, D. C.**

Sir:

Replying to your request for a blank application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you are advised that under the order of the Court of April 29, 1907, all applications were required to be filed on or before August 31, 1907.

It is therefore now too late to file applications except on behalf of minor children, persons of unsound mind, or persons under some other legal disability.

Very respectfully,

GUION MILLER,

Special Commissioner.

Albert Miller being first duly sworn, deposes and says:

That I am 45 years of age. I claim my Indian descent through my mother; my father also had Cherokee Indian blood but I do not claim through him. I never knew how much Indian blood my father had. My mother was supposed to have been a half breed. My mother was born about 1822. In 1851 she was living in Georgia. She came West in 1878. I never found out whether she was enrolled in Georgia or not. Betsy Bearpaw was her maiden name. When she married she went by the name of Betsy Miller. My parents were married before 1851. My sister, Sylvia Miller, is living now at Muskogee. My grandfather's name in Cherokee was Yona-wah-he. His English name was Arch or Thomas Bearpaw. Sibby Bearpaw was his first wife's name. She was the mother of my mother. In 1832 my grandparents came from Georgia or N. C. to Calhoun, Tenn. and brought my mother with them. At that place my grandparents separated and my grandfather took another woman. My grandmother then took my mother back to the old country. Sallie Mackey or Nash was the name of my grandfather's second wife. My grandfather had a brother named Jackson Bearpaw. My mother had a brother called Nathan Pigg. He was a full brother. He is dead. He died about five or six years ago. He was living in the East in 1851. He came to Ft. Gibson about 18 years ago. I am not enrolled by the Dawes Commission. I made application to the Dawes Commission but don't know they claimed we were too late. My father was born in Surry Co., N. C. He came West with my mother. Sarah Miller was my grandmother's name but I don't know the given name of my grandfather on my father's side. My grandmother had no Indian blood - that is, my father's mother. Bill, John, Carter, Jake, Alfred and Daniel, Joe were brothers of my father. ~~Alfred was living~~ Don't know where Alfred was living in 1851. I think Alfred's wife's name was Sanders, but I don't know her given name. I have been told that my father's brothers were in the West in 1851. Uncle Bill, John and Dan were back East at that time. My folks never received any Old Settler money and never received any land or money from the Government. Sarah Brian living at Porum, Okla. is a sister of my father. In 1895 there was a roll made at Ft. Gibson for bounty money. I did not get any. Don't think Yona-wah-he was an Old Settler. He died about 20 years ago here by Vian. He lived at Cherokee, Okla. He was always considered a member of the tribe. Jackson Bearpaw died at Vian about 18 years ago. He was living on the Indians; married to a full blood Indian.

JULY 3 1908

In the matter of Claim of Wm. M. Hunter, Eastern Cherokee
Enrollement. Application No. 25174.

State of Tennessee.

Meigs County.

Personally appeared before me an acting Justice of
the Peace for said County and State, T.H. Smith and D.M. Blevins
whom I certify to be reputable and reliable citizens of said County
and who being duly sworn depose and say:

T.H. Smith is aged 74 years and D.M. Blevins is aged 75 years,
and we both reside in Meigs County, Tenn., and have so resided all
our lives. We were acquainted with Malissa Blevins Higdon, the
mother of Wm. M. Hunter's wife and she was born, raised and died in
Meigs County,

We also knew Annie Looney Blevins, the grandmother of Wm. M.
Hunter's wife. She was raised and died in Meigs County, Tenn.,

We also knew the great grandparents of Wm. M. Hunter's wife
on her mother's side, Samuel Looney and wife, and they lived for
a number of years, and died in Meigs County, Tenn., but do not
know where they were born and raised.

We were personally acquainted with all said parties. Samuel
Looney has often told us that he was one half Indian blood and
he claimed to be of the Cherokee tribe. We are satisfied from his
appearance that he possessed Indian blood, and we are further
satisfied that from appearance we can trace the Indian blood
all the way down the different generations, even to Wm. M. Hunter's
children.

We do not know whether any of these parties were ever enrolled
or not, and we do not know whether any of them ever lived with
any Indian tribe or not.

D.M. Blevins further states that Samuel Looney was living in
what is now Meigs County, Tennessee, at the time the Indians,
(Cherokees) were removed from this county, and his information has

Blevins and Smith Affidavit, Page 2.

always been that he belonged to the Cherokee Indian tribe. I have been personally acquainted with him from early childhood.

We have no interest in matter of this claim.

Justice of the Peace,

I certify to all facts herein except the claim which says Samuel Looney has often told us that he was a half breed. I have always understood that he was of mixed blood but never heard him say so to any.

Dea Sir,

Yours of the 6th last before
me, relative to the minor heir's
right to participate in the Cherokee
fund. I beg leave to say, that I
know nothing about the reasons
why my children's mother or
their ancestors did not enroll on
the Cherokee roll, in the years 1835-
& 1851.

Nancy Loomy was not living in
1835 - having ^{been} dead long before said
date as I am informed.
No neither the mother ^{of these children} nor any of
her ancestors were ever held as
slaves. They are white people
except what Indian blood may
be in them.

Their mother was a freed daughter

of Samuel Lounney & Lounney
Master was a Cherokee Indian
and am informed,
this is all that I am able
to give you in regard to their
Ancestry. Nancy Lounney was
their Mother. Great Grand Mother.

Mr. M. Hunter,

In reference to application #25174 for minors to participate in the Eastern Cherokee Fund, kindly state why the name of their mother and those of their other ancestors through whom they claim their Cherokee descent and who were living in 1855 and 1851, do not appear on the Cherokee rolls of those dates.

Where was Nancy Leoney living in 1851? Was the mother of these children or any of her ancestors ever held as a slave? If so, were they owned by white people or Indians?

Kindly furnish a full history of their Cherokee descent.

Sir:

In the matter of your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please take notice that

Frank D. Ryan

one of my duly authorized assistants, will be at Athens, Tenn.

on Saturday, June 27th, 1908, at 9 o'clock

You should appear promptly before him, and if you have any witnesses you wish to have testify in your behalf you should also have them present at that time.

You can ascertain where the hearing will take place by making inquiry at the principal Hotel.

Bring this notice with you.

Very respectfully,

Special Commissioner.

Have some old people make affidavit as to where ^{your} ~~my~~ wife's mother was born and raised, also your wife's grandmother on her mother's side and great grandparents also, if possible, who claimed Indian blood, stating where they were born and raised, lived and died and if any of them ever lived with any Indian tribe, give name of tribe and state when and where they lived with the Indians. Miscel.

Wm. M. Hunter being first duly sworn, deposes and says:

That I am 56 years of age and live in Meigs Co., Tenn. I am claiming for my children through my wife. My wife claimed through her mother. Her father was a white man. It was my wife's grandmother who claimed Indian. Her grandfather claimed no Indian. My wife's mother was born and raised in Meigs Co., Tenn. I don't know where my wife's grandmother was born and raised. I don't know whether she ever lived with the Indians or not. Don't know whether any of them ever lived with the Indians. My wife nor her mother or grandmother were never on any rolls that I know of. I am a full blooded white man. My wife never made any application to receive Indian benefits. My wife died about ten years ago and she was 35 years of age when she died. I don't know how much Indian my wife claimed but she showed the Indian. Don't know whether her grandmother had any brothers or sisters or not. I know my wife was never on any Indian roll. Tom Smith and D. M. Blevins of Decatur, Tenn. can possibly give more information than I can about where my wife's grandmother was born and raised and whether or not she ever lived with the Indians as a member of the tribe. They are both over 70. My wife was recognized as a white woman during her life-time.

Dear Sir,-

I herewith enclose you my application to share in the distribution of the Eastern Cherokee Money, my claim coming through my Grand Father Patrick Henry, now of San Antonio, Texas. My Father T.B. Henry, and my Mother Jennie Henry (nee Sprague) are both dead, and since the death of my Mother (who had been appointed my guardian), I have had no guardian, the Dawes Commission has allotted me themselves on land here in the Cherokee Nation, and have delivered to me the patents, I have been working for myself for the last two years, and am attending to my own affairs, while I am not 21 years old I am looking out for myself.

I make this explanation to ask you, if I am found entitled to share in the distribution of this fund, can, and will you pay this to me without the necessary expense and trouble on some one else to be appointed guardian. I am so near of age, and besides attending to my own affairs that I do not want to go to this trouble, or, put others to the trouble unless absolutely necessary.

May I hear from you in regard to this, and give necessary instructions, and greatly oblige,

Yours truly.

Joseph J. Henry

Address me at #82 Market Ave.
Memphis, Tenn.

We undersigned, do hereby certify that we know the contents of the foregoing letter; and that we believe that the statements made therein are true; and that said Joseph J. Henry is competent to take care of all his own affairs, and is doing so. We further state that we have no interest directly or indirectly in his claim.

Sir:-

Your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees has been received and filed as No. 25184.

As you state in your letter accompanying the same that you are a minor, it will be necessary for you to have some one file an application in your behalf. This should be done by some adult person who stands in some personal relation to you, and it may be filed under the heading of "Next Friend of Joseph J. Henry".

If you have some near relative who would be willing to file this application in your behalf it would be better, but in case you cannot have it done in this way, any friend of yours may file the application.

Very respectfully,

GM:NEC.

Mr. Guion Miller,

Special Commissioner,

Washington, D. C.

Dear Sir:-

We looked over the Eastern Emigrant Cherokee Rolls a few days showing the individuals entitled in the Eastern Cherokee fund, but we have been unable to find the name of Joseph J. Henry.

Joseph J. Henry made his applications in due time two or three years ago, and they were sent in and he is the grandson of Patrick Henry whose name appears on the rolls rolls at #13840 and whose address is at San Antonio, Texas. I have not the number of the original application; and this Joseph J. Henry accidentally lost his life in the navy sometime in the Spring of 1908, and there is no doubt about his being entitled to enrollment by virtue of being a grandson of said Patrick Henry.

I, as attorney in assisting him to prepare his application and on behalf of his estate, am writing to call your attention to the matter and when you look it up, you will probably find that he is enrolled and that his name may be left off of the approved copies of the roll by mistake.

EZZARD & HOLTZENDORFF

CLAREMORE, OKLAHOMA

Mr. G. M. #2.

I shall appreciate it very much if you will look up the matter at once and let me know if his name is left off the roll, and see to it that it is properly placed thereof. There has been no administrator appointed for the estate of Joseph J. Henry, now deceased, but we expect one to be appointed in the near future and if so, payment of the amount belonging to his estate can be made direct to the administrator. I shall appreciate it very much if you will let me hear from you by return mail.

Yours very truly,

Sir:-

Relative to your application for a share in the Eastern Cherokee Fund, kindly state why the name of your father and those of your other ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Was your father or any of your ancestors held as a slave? If so, state whether he or they were owned by white people or Indians.

Do you claim any Cherokee descent whatever through your mother? If so, set out the source of the same.

Kindly give a full history of your Cherokee ancestry.

Very respectfully,

Special Commissioner.

App. #25223.

August 22, 1907.

Jesse H. Fortner,

R.F.D. No. 4,

Danlonega, Georgia.

Sir:-

Replying to your letter of August 13, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications are all filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

NLC.

Special Commissioner.

App. No. 25223

April 6, 1908.

Jesse H. Fortner,
Dahlonega, Ga.

Sir:-

Relative to your application for a share in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim Cherokee descent through both parents? If not, state through which one you claim.

Have you or your parents ever been held as a slave? If so, state whether you or they were owned by white people or Indians.

Kindly furnish the full history of your Cherokee ancestry.

Very respectfully,

Special Commissioner.

Poindexter.

Jno. I. F. Norman being first duly sworn deposes and says.

I am 54 years of age and live near East Bend. I was born here and have lived here all of my life. I pass in the community as a white man, but claim some Indian blood. I claim through the Eastern Cherokees, back to Donnahoo. My line of Indian blood is substantially the same as the Poindexter line. I claim through Frank (or Francis) Pledge, who was a grandson of Donnahoo, and brother of Bettie Pledge Poindexter. I do not know when Frank Pledge was born, nor where he was born. I do not know his mother was, and I do not know his father was, only that he was a Pledge and married Donnahoo's daughter. I have heard that Frank Pledge lived in this state, and I think maybe he was born in Virginia. None of my people have ever been enrolled as Indians that I know of. I heard of Donnahoo a long time ago. About 40 years ago I heard that the Poindexters were descended from Donnahoo, but, at that time, I did not know that Frank and Bettie Pledge were brother and sister. I heard this since this matter came. I think Uncle Elias Poindexter told me this. About 14 or 15 years ago, I first heard that the Poindexters were Cherokee Indians. My wife did not receive any land as a Cherokee Indian at that time.
